Tuesday February 07, 2023 Noon to 1 p.m.
Free to the public – Reservations recommended, walk-ins welcome

WENDY DOUGLAS

Wendy grew up in Northern Utah in a small farming community and was always interested in various art media. She earned a BFA from Utah State University in Interior Design and Textiles. Her husband and their family have lived in many states, coming to Mesquite in 2020.

She started working with homemade clays in 1971 and built a nice art business around that media. She also enjoys watercolor and acrylic painting, sewing, and manipulating fabric.

Wendy is involved in the gallery, especially with the "Get Smart With Art" program for youth 8-14 years old and the Palette and Pour Parties.
