

For Immediate Release

**CasaBlanca Resort & Casino Showroom Set to Reopen
Following Extensive Renovations**

Mesquite, NV – (September 25, 2024) – CasaBlanca Resort & Casino is excited to announce the Grand Opening of its fully remodeled showroom on October 12, 2024, marking the completion of a renovation that began in May. The new showroom is the first phase of a \$6 million upgrade project currently underway at Mesquite Gaming’s properties in Mesquite, NV.

“Our new showroom is an exciting centerpiece of our extensive renovations designed to bring more openness and comfort for our customers,” said Justin Moore, CEO of Mesquite Gaming, LLC. “We believe this reopening will heighten anticipation for the completion of our entirely reconfigured casino floor and fully redesigned Center Bar.”

Prominent new features of the showroom to be revealed include six new 85” monitors for an enhanced viewing experience, a new state-of-the-art sound system, new carpeting, wall coverings, and sconces, new tables and chairs, and fully reupholstered showroom booths. Also, 22 non-smoking video poker slot machines have been added inside the showroom so guests can play their favorite games while enjoying live music.

These extensive property enhancements add to the unique amenities that already separate CasaBlanca Resort & Casino and Virgin River Hotel & Casino in the Mesquite market. CasaBlanca is home to the only Resort pool in the city. All operations and amenities at the properties remain open throughout the remodeling phase.
